What do we do?

Rollerbed Systems, LLC provides safe, quick, "State Of The Art" pneumatic retractable roller systems for moving air cargo containers in and out of trucks and trailers. With only 1% rolling resistance on a level surface, a 2,500 pounds container can be moved with 25 pounds of force. Rollerbed Systems has Sales Offices in the Eastern and Western Regions of the United States. We service the United States, Mexico, Latin America and Canada. A network of installation and service facilities are located throughout North America.
