AIR CARGO 2007

Rollerbed Systems, LLC will be exhibiting at Air Cargo 2007

The following information is an excerpt from the AEMCA web site – www.aemca.org

AirCargo 2007, will be held at the [Sheraton Wild Horse Pass](#) in Phoenix, Arizona, on March 11-13, 2007.

AirCargo is the premier annual trade show and conference for the Air and Expedited Motor Carriers Association (AEMCA), the Airforwarders Association (AfA), and the Express Delivery & Logistics Association (XLA), which co-host AirCargo as a service to the industry. The conference includes a diverse educational program for attendees, outstanding business opportunities for exhibitors and excellent corporate exposure for sponsors. Each year, AirCargo brings together a virtual “who’s who” of the industry within the express delivery, freight forwarding and expedited motor carrier industries.

AirCargo – A Conference and a Trade Show

With a mix of exhibitors that includes airlines, delivery service providers and other business service companies for the entire industry, AirCargo enjoys a sell-out exhibition each year. The conference held in conjunction with the trade show includes informative educational sessions that address such topics as branding, security, business operations, and more. Hot topics are addressed to keep attendees informed about industry developments that affect their business and provide them with management tools and tips that can increase their operating efficiency and profitability. Plus, there’s ample time during the conference for sports and social activities that bring attendees together for networking with business associates and potential new business partners.

More detailed information can be found on the AEMCA web site on exhibitors, attendees, hosts and the organizations that are part of AEMCA and the Air Cargo 2007 program.

Rollerbed Systems, LLC is proud to be a new member of the AEMCA organization. For over 15 years, several of Rollerbed Systems personnel have had dealings with the organization and many of its members. Over the past several years many of our team members have been part of the AEMCA exhibits. Typically the Air Cargo Conference and Trade Show is held in early spring, alternating between the Eastern Region and Western Region; usually in Florida in the East and Arizona or California in the West.

Our goals at this year’s Conference and Trade Show are to introduce the Air Cargo Industry to our company, our products, our capabilities and to make ourselves available to answer questions regarding our dedication to the all of our customers, potential customers and the Industry.

We look forward to seeing you at booth #2 in the exhibit hall during the conference. If you have questions on how we can best serve you prior to or after the conference, please contact us through our web site www.rollerbedsystems.com or the below listed numbers or E-mail.
